

Continuity of Learning Plan – Covid 19 Outbreaks (revised Sept 2021)

Aim: Should a child/ren not be able to attend school due to Covid restrictions, they still must have access to a good quality of education.

Tier 1	Continuity of Learning
Individual (siblings) not able to attend school due to Covid restrictions (e.g. isolating after travel/confirmed Covid case/awaiting test result)	<p>If a child is well enough but having to self-isolate, the school will endeavour to set up live link to the home so the pupils can engage in the direct instruction element of the lesson. The school could use Oak Academy Resources for the child to continue with their education, if linked to the curriculum being studied.</p> <p>Communication with the child's parent and carer (via email or phone call) will outline the learning journey.</p> <p>The planned work from class will be made available.</p> <p>SEND children will be guided to appropriate resources in line with their appropriate stage.</p> <p>Teacher or TA to make phone call twice a week. Feedback through emailed screen shots or work to teacher. Verbal through phone call.</p>
Tier 2	Continuity of Learning
A bubble or wider cohort is unable to attend school due to Covid restrictions.	<p>Children be educated using Microsoft Teams virtual link and daily SWAYs. This will be a blended learning approach which includes live learning and directed study. This will all be sign-posted via Microsoft Teams. Chromebook strategy will be in place for years 2-6, this will enable live teaching lessons and linked up working. Equipment and learning packs will be shared remotely and where needed by booklets.</p>
Tier 3	Continuity of Learning
Whole school/Key stage are unable to attend school due to Covid restrictions.	<p>Children be educated using Microsoft Teams and Daily SWAY learning. This will be a blended learning approach which includes live learning and self-study. This will all be sign-posted via Microsoft Teams. Where possible live lessons will be set up for core subjects and family time (class) for emotional support (PSHE). Feedback can happen through live lesson and forms where needed.</p>

Continuity of Learning Plan – Covid 19 Outbreaks (revised Sept 2021)

Actions to ensure the above is a success:

- All children Year 2-6 to have been provided with **access to Teams** and they are independently able to access this.
- All parents understand what Microsoft Teams is and how to use it to support their child to access learning. A video should be made/signposted to guide parents how to use Microsoft Teams **by the end of September**.
- All children **have a device** so they can access Microsoft Teams. The school should get an up to date list of children with no devices and target these children with devices **by September 30th**
- Ensure **two adults** are able lead remote learning in each year group (e.g United Teaching trainees) if teacher unable to lead the teaching.

Tier 1, 2 and Tier 3:

- A mixture of whole class and grouped lessons will happen (mixed ability).
- A full timetable will be sent out providing an overview of the learning each week.
- EYFS children will also use Tapestry to respond to learning.

Principles of delivery:

- Consistent weekly timetable
- Learning sequenced as per curriculum model
- High quality explanations embedded in SWAY as videos
- Use of forms for on-going assessment for learning
- Bespoke SWAYS for SEND pupils

Resources:

- The school will provide stationery packs to children who require them (incl. subject specific resources)
- Additional library books
