

Continuity of Learning Plan – Covid 19 Outbreaks

Aim: Should a child/ren not be able to attend school due to Covid restrictions, they still must have access to a good quality of education.

Tier 1	Continuity of Learning
Individual (siblings) not able to attend school due to Covid restrictions (e.g. isolating after travel/confirmed Covid case/awaiting test result)	The school will use Oak Academy Resources for the child to continue with their education. Communication with the child’s parent and carer (via email or phone call) will outline the learning journey. The planned work from class will be made available. Pupils will have power maths pages sent to them via email. SEND children will be guided to appropriate resources in line with their appropriate stage. Teacher or TA to make phone call twice a week. Feedback through emailed screen shots or work to teacher. Verbal through phone call.
Tier 2	Continuity of Learning
A bubble or wider cohort is unable to attend school due to Covid restrictions.	Children be educated using Microsoft Teams and daily SWAYs. This will be a blended learning approach which includes live learning and directed study. This will all be sign-posted via Microsoft Teams. Chromebook strategy will be in place for upper KS2 (Years 5,6) this will enable live teaching lessons and linked up working. Equipment and learning packs will be shared remotely and where needed by booklets.
Tier 3	Continuity of Learning
Whole school/Key stage are unable to attend school due to Covid restrictions.	Children be educated using Microsoft Teams and Daily SWAY learning. This will be a blended learning approach which includes live learning and self-study. This will all be sign-posted via Microsoft Teams. Where possible live lessons will be set up for core subjects and family time (class) for emotional support (PSHE). Feedback can happen through live lesson and forms where needed.
Actions to ensure the above is a success:	

Continuity of Learning Plan – Covid 19 Outbreaks

- All children Years 6,5,4 to have been provided with **access to Teams** and they are independently able to access this. All teachers to lead whole class lessons on this **before the end of September**. All children in 3,2,1 end of October ready for Term 2.
- All parents understand what Microsoft Teams is and how to use it to support their child to access learning. A video should be made/signposted to guide parents how to use Microsoft Teams **by the end of September**.
- All children **have a device** so they can access Microsoft Teams. The school should get an up to date list of children with no devices and target these children with devices **by September 18th**
- Ensure **two adults** are able lead remote learning in each year group (e.g. United Teaching trainees) if teacher unable to lead the teaching.

Tier 1:

- We will aim for the child to continue to access the same curriculum learning as their peers. The teacher will the English genre from Oak Academy aligns with the English genre in school. The White Rose maths learning will align with the maths learning happening in school. If the wider curriculum topic covered by the school is the same as those taught by the Oak Academy – children will be directed to this. If the wider curriculum provision does not align, the class teacher will provide alternative learning so the child not able to attend school is learning the same disciplinary knowledge as those in school (primarily through reading).
- The class teacher or support staff will communicate with the child/carers at least twice during the week to offer feedback and discuss learning/challenges.
- All teachers to use teacher email.

Tier 2 and Tier 3:

- A mixture of whole class and grouped lessons will happen (mixed ability).
- A full timetable will be sent out providing an overview of the learning each week.
- P.E. Sways will support children to be active at home
- EYFS children will also use Tapestry to respond to learning.

Principles of delivery:

- Consistent weekly timetable
- Learning sequenced as per curriculum model

Continuity of Learning Plan – Covid 19 Outbreaks

- High quality explanations embedded in SWAY as videos
- Use of forms for on-going assessment for learning
- Bespoke SWAYS for SEND pupils

Resources:

- The school will provide stationery packs to children who require them (incl. subject specific resources)
- Additional library books
- Additional phonics reading books if appropriate
