

## Year 2 History Autumn: What role does medicine play in war?

To begin our enquiry of “How can we turn disaster into opportunity?” we will focus on the role medicine plays in war by studying Florence Nightingale and Mary Seacole. Throughout the unit, we will develop the **determination** to analyse situations, make decisions on what is the best choice and decide how to best help people.

Key skill: I can identify and describe reasons for and results of, events, situations and changes.

### We will be able to:

- Describe and identify heroes
- Describe Florence Nightingale and Mary Seacole and how they changed healthcare and nursing
- Compare and describe wartime hospitals to today’s hospitals
- Compare and describe medical tools

### To deepen our learning we will:

- Ask questions to guide our learning
- Make judgements on which tools are better and why
- Identify problems and come up with solutions

### Key Vocabulary
