

Year 5 – Summer 2

Writing

Persuasion - pupils will review the key features of persuasion and develop their existing repertoire of rhetorical devices.

Narrative & Poetry - pupils will explore stories and poems with shared features and themes, examining how language and layout can be used to evoke an emotional response from the reader.

Maths

Pupils continue to build on their knowledge of **decimals** and will be introduced to their **connections to percentages**.

Science

In science, pupils will learn about human development to old age

Authors of the Term

Art

Pattern & Sculpture

Pupils will use origami to create bird sculptures out of printed designs, exploring patterns and the natural world.

History

Global history: Quest for knowledge

Pupils will explore a range of civilisations across the world and across time, and how they developed and shared knowledge.

Books we are reading this half term:

- **Varmints** – Helen Ward & Marc Craste
- **The Lost Words** – Robert Macfarlane & Jackie Morris

PSHE

Getting on and falling out

During this unit, Pupils look at what a **relationship** is.

Computing

In this unit, pupils develop their knowledge of selection by revisiting how conditions can be used in programs
