

## Writing

### *Class Anthology*

In this pupil-led unit, the class will share a variety of texts with the shared theme of 'hope'. Inspired by what they have read, and their own feelings and wider experiences, pupils will create a class anthology of short stories, poems, anecdotes and other texts, based on a shared theme of their choice.

### *Fact or Fiction*

*In this final Year 6 non-fiction writing unit, pupils will apply their learning to this independent research and presentation project.*

## Geography

### *We are Geographers.*

In this unit, we will be looking at how we could improve our local area. We will be using skills, such as, observation, Fieldwork and Land use to see how we could help the local community.

## PSHE

### *Growing and Changing*

In this unit the children will extend their learning of reproduction, and we will talk about how our bodies change and hormones might make us feel funny.

## PE

### *Rounders*

During this term, year 6 will be focusing on Rounders. Pupils will look at technique, throwing and striking and teamwork.

# Year 6 – Summer 2

## Maths

During this half term, we will be using all our mathematical skills to solve a range of investigations that include: working with money, future jobs, weights, cooking and life skills.

## Science

### *Physical and Chemical changes*

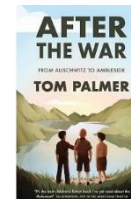

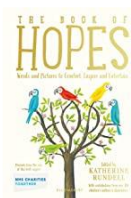

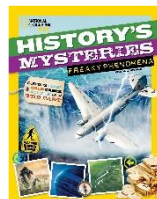

This unit introduces pupils to chemical change, chemical reactions and how we know that a chemical reaction has taken place. This unit introduces pupils to the type of chemistry they will learn about in Key Stage 3. In this unit, we have also chosen to include lots of practical tasks that relate to separating mixtures and physical and chemical changes.

## RE

### *Justice*

Children will learn to explain what the concept of justice means and how justice is significant in the stories of Jewish people, Christians and Muslims.

## Books we are reading this half term:

## Author of the Term

Tom Palmer

## Art

### *Identity*

This unit explores the rich cultural diversity of the UK, and the links we have forged with each other in our communities. It allows pupils the opportunity to explore their own identity, and how it is formed through the various facets of themselves. Pupils will have the opportunity to study the work of two of our most prominent contemporary British artists and, through their work, will see a different perception of the UK and its history.
